(1) The gross number of voting rights (or "theoretical" voting rights) serves as the basis for calculating the thresholds. In accordance with Article 223-11 of the General Regulations of the AMF, this number is calculated on the basis of all shares carrying voting rights, including shares without voting rights.

(2) The net number of voting rights (or voting rights "exercisable in General Meeting") is calculated without considering the shares with suspended voting rights. It is published for proper public information in accordance with the AMF recommendation of July 17, 2007.
